Juniors must now pass the NECAP Tests with a score of at least 2 to graduate. USA Test prep was purchased for the school. Students were given opportunities to work on this program in the computer lab. Program gives typical NECAP testing questions - multiple choice and constructed response questions (students must explain their answers). East Bay Collaborative sponsored a Professional Day where teachers were able to learn ways to help students answer constructed response questions.

NECAP "Pep Rally" assembly held on 10/5. Refreshments (water, fruit, granola bars) supplied by the Administration. Motion was made and accepted for the PTA to make a donation of \$200.00 towards the refreshments.

School Improvement Team - Volunteers are needed for the three sub-committees - Academics, Facilities, Spirit and Culture. These committees are made up of student representatives, faculty, Administration representatives as well as parents/guardians.
